We are having a “paper goods drive” throughout February! The mission of Hope Is Alive is to radically change the lives of drug addicts, alcoholics, and those that love them, and their program involves residency in one of their Mentoring Homes for up to 18 months. We are asking you to buy extra paper products (specifically paper towels and toilet paper) and bring them to one of the two drop-off locations: The Ministry Connection or the South/Children’s Foyer. If you have any questions, please contact Kevin.
