Drive-Thru FAMILY FELLOWSHIP

FRIDAY • MAY 1 • 7PM

DRIVE-THRU FAMILY FELLOWSHIP 2!

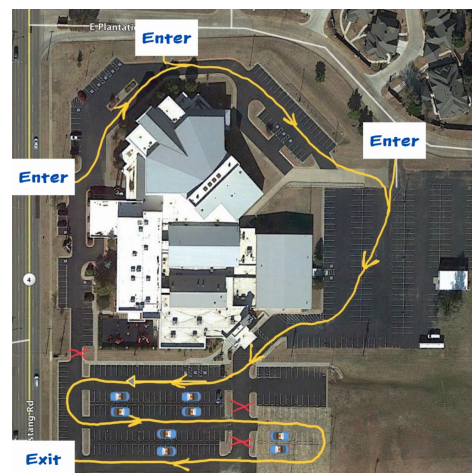

May 1 at 7 pm in the church parking lot

Back by popular demand! If you missed last time this is your chance to come and see your church family! We will also be collecting canned goods to help those in need. Your staff will be in different locations around the parking lot ready to visit with you and your family!

There will be a trailer located on the East side of the gym in the parking lot where we will collect the donated canned food items.

As a reminder, we will be following government guidelines and ask that all families remain in their vehicles during this time to practice appropriate social distancing.

*Map included to show the drive-thru route.

GO (GOSPEL OUTREACH) FAMILY CHALLENGE

This week's challenge is:

IF YOU FEEL COMFORTABLE ENOUGH right now during the easing of restrictions, invite a neighboring family over for dessert, snack, or meal OUT ON YOUR FRONT DRIVEWAY. Keep it simple! Set your chairs up so each family remains an appropriate distance apart but are still able to converse. If you don't feel comfortable providing food, then invite the family over for conversation. We're in an unprecedented time, so neighbors will appreciate you making an effort to get to know them during so much recent isolation. Don't put pressure on yourselves to force a full gospel presentation, but do be intentional to ask your neighbor for prayer requests!

WAYS TO GIVE

Our collective giving is critical for us to be able to continue the ministries of our church and support of our missionaries and mission partnerships. Our ministry and outreach continues on and it is more critical than ever.

There are 3 ways you can still give while we are unable to meet:

- The best and most timely way is through our new online giving. You can give easily and securely [here](#).
- You can bring your financial offerings to the church office Monday-Friday between 8:30-4:30
- You can mail your financial offerings to the church at 928 N. Mustang Rd, Mustang Ok, 73064
